Project Recipe:

	<p>1. Your base of Blushing Bride will be 11 x 4 1/4 inches scored at 5 1/2</p>
	<p>2. Your second layer is Coastal Cabana 5 1/4 x 4 run-through the big shot with the Ornate Flowers 3d embossing folder</p>
	<p>3. The third top layer is whisper white 5 1/4 x 4 cut it with the detail layers die on top and bottom on the long side.</p> <p>Stamp your Standing Meerkat on both ends</p> <p>Draw with your Basic Black Stampin' write marker an arrow in between the two Meerkats. I also wrote 6 ft. in the middle of the arrow. It will look like this picture.</p>
	<p>4. You will then color your meerkats any way you like. I used Crumb Cake Blends.</p> <p>Take a sponge and the Blushing Bride ink pad and sponge the delicate lace edges top and bottom.</p> <p>I stamped the grass from the Fable Friends stamp set in several layer around the bottom of the meerkats in two colors pear pizzaz and soft seafoam green</p> <p>I also used balmy blue and pool party around the meerkats to give the blue image of the sky.</p>
	<p>5. I stamped with versamark and coastal cabana the sentiment from Hold on to Hope stamp set. I then added clear embossing powder and heated it. I used the Stitched Rectangles to cut this out. I placed two gilded gems on the ends. It is placed with dimensionals on the card.</p>
	<p>6. Lastly you will need to cut some masks for your critters. I used perennial essence DSP scraps for these cuties. You can also stamp the hat in the Meerkat set fussy cut it out and cut the tip-off for your mask. I used a rolled glue dot to adhere it so it looked like it was off the face a bit.</p>
